After-school Supervision

At the end of the school day, our staff supervise students to ensure they leave the school site safely and that all areas are clear. Students should not stay on site unaccompanied at any time.

After school clubs finish no later than 4.45pm each day, with some sports fixtures lasting slightly longer, and we ask for your consent to be given for students to attend. Students should let you know of their whereabouts after school.

See the School Calendar page on our website for details of activities and events at the Academy.
