

22 May 2019

Dear Parent/Carer

**Disneyland Paris, 21 – 23 June 2019**

Thank you for your continued support with the Bulwell Academy Choir and our upcoming trip to Disneyland Paris.

With just a few weeks left before our departure, I would like to finalise the arrangements for the trip, and provide you with the final itinerary.

**Trip Payment**

Can I please remind all parents that the cost of the trip is £255, and any outstanding payments must be received before the trip commences. If you are having difficulties making payments, please contact myself.

**Clothing**

Pupils will be given one Bulwell Academy polo shirt for the trip, and will be required to wear this whilst in Disneyland Resort. Pupils must bring the following to wear for the performance on Saturday night:

- **black school trousers/skirt**

Pupils will have an opportunity to change after the performance, in designated changing rooms.

**Medications**

We are aware of each student's medical requirements as advised by you on the Health Questionnaire; however, we are only able to administer medications sent with your child. So please make sure that they have enough medications/travel sickness pills etc for the entire stay.

**Spending Money**

Students will require spending money, which must be in EUROS – **a minimum of 40 Euros up to a maximum of 70 Euros**. Students will be responsible for the safekeeping of their own money. Please be aware that the school cannot be held responsible for lost money, or any personal possessions.

**Additional items required for the trip**

Please provide the relevant universal charger for any electronic items such as mobile phones or tablets. Students will be responsible for these items.

**Contacting your child in an Emergency**

Should you need to contact your child urgently whilst in France, please phone the following, UK based, number giving details of the emergency: **07850 088659**.
