24 July 2019

Dear Parent/Carer

Collection of Examination Results - Thursday 22 August 2019

As the exam season has finished, we are now thinking about the student results. The results are published across the country on Thursday 22 August and this letter outlines the plans we have in place to enable your child to collect their exam results.

- **Year 11 students** will be able to collect their results from **9am onwards** from the Hall.

If for any reason, a student is not able to pick up their results and certificates in person then we can give results to parents if **suitable proof of identity is shown**. We regret that we are not able to give results to friends. Students should make arrangements to collect their results from school.

The certificates for the June exams will not arrive in school until late October and we will notify you as soon as these are able to be collected. Any certificates we currently hold for students will be given out with the results. Please ensure that certificates are looked after as examination boards charge £37 per certificate that needs to be replaced.

We will be providing support for students on the morning of 'Results Day' and I have enclosed details of the Futures Service who can also provide further information. We hope your child is considering our Sixth Form to continue their studies, on the morning of results day, Mr Cook and experienced careers advisers will be available to discuss the Sports, Business and Health & Social Care subjects available at Sixth Form.

We are anticipating good results for our students this year; we hope your child will come as it will be a great opportunity for him to celebrate his successes and meet up with the teaching staff.

Finally, I wish you a very happy summer break and have enclosed a copy of our newsletter that highlights just some of the successes of the past term.

Yours sincerely

A handwritten signature in black ink that reads 'M Strong'.
