---

Your child has expressed an interest in attending our homework club that takes place every Wednesday, 2.50 – 4.00pm. The club is an excellent opportunity to provide students with additional resources, including internet access, to help them complete homework.

Miss Kelly, Director of Learning (years 7 & 8), and Mrs Jones, Year 7 Manager will be available to offer help and guidance to the students throughout the session.

If you are happy for your child to attend the homework club, please complete and return the consent form below.
